

# What did Jesus say about...Family

November 22, 2020

A man ought to live so that everyone knows he is a Christian.... but most of all his family ought to know. D.L. Moody

*Jesus family line had its issues.....*

- Dysfunction doesn't disqualify a Christian or create an excuse.
- Dysfunction- Dys= Dangerous Function

*Jesus was into marriage.....*

- In the beginning **John 1:1** and **Genesis 2:24**
- Instructions before parents were even established
- He speaks words of instruction again in **Mark 10:6-9**
- First miracle was at a wedding...he was present and participated while on this earth. **John 2:3-5**

*Jesus and children.....*

- unless you become like a little child Matt. 18:2-4
- Words were intense and strong about kids and how to treat them in regard to the kingdom.

*Jesus words about Family.....*

- Google style research
- Matthew 10:34-37**
- Luke 14:25-26**
- John 19:26**- Jesus last words about his mama

*Jesus answers..... Who is my family?*

- Mark 3:31-35**- whoever does God's will
- Luke 8:21**-Hear God's word and put it into practice

*It wasn't a rejection of his natural family but an emphasis on his spiritual family it made the kingdom of God inclusive for us all to have family!*

Who is my family? How this week can I love my family by putting God's will into practice?
