

NTC FAMILY
Partnership Series

October 16, 2022

WHAT IS A PARTNER? :one associated with another ,especially in action, a member of partnership in business, a heavy timber that strengthens a ships deck to support a mast
(Luke 5:7-10 / Philemon 1:17)

You can't partner with something you don't **come** to.

1 Cor. 14:26 "...when you **come together**, one will sing, another will teach, another will give some special revelation..."

Acts 2:1 " On the day of Pentecost, all the believer were **together** in one place."

Hebrews 10:25 " And let us not neglect our meeting **together**, as some people do, but encourage one another..."

as partners...

We *come* TOGETHER

Matthew 20:28 "For even the Son of Man came not to be served but **to serve others** and to give his life as a ransom for many."

John 12:49-50 "... The Father who sent me has commanded me what to say..."

John 14:30-15:27 "... there is no greater love than to lay down ones life for ones friend..."

Did Jesus mean **dying** for one another or **living** for one another?

What qualifies us to be a servant of Christ and others?

Matthew 9:9 "... *Follow me and be my disciple,*" Jesus said to him. So Matthew got up and followed him.

Our *willingness* to say **YES** in action qualifies us in our calling of servanthood.

as partners...

We *serve* TOGETHER
